Originators of Duct Spacers and Non Metallic Cable Racks for the Power and Communication Industry.

C.C.Pierce Company, Inc., is a family owned Manufacturers' Rep Agency, proudly serving the New England region since 1922. With the cooperation of some of our Manufacturer Partners, we recognized the sales and service opportunities in Upstate New York. In the Spring of 2020, combining the support and know-how of our existing crew, we assembled an exclusively dedicated Upstate NY team. Contact Jason Bianco at (315) 289-4805 for information about our Manufacturers. Jason can also direct you to our other Regional Salespeople, Jeff Collopy or Nick Cieszynski. We are ready to work with you to grow your business and service our customers!
